ERRATUM

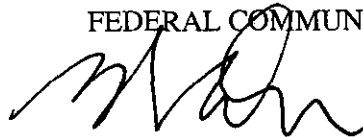

Released: January 28, 2005

By the Chief, International Bureau; Chief, Wireless Telecommunications Bureau; and Chief, Office of Engineering and Technology:

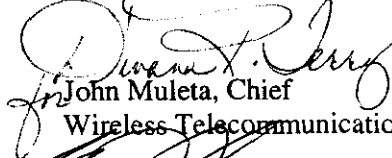

1. On December 22, 2004, the International Bureau, Wireless Telecommunications Bureau and Office of Engineering and Technology, released an Order and Authorization, DA 04-4034, in the above-captioned proceeding. This Erratum corrects call sign, "KA58", located on page 22, Appendix A, listed in the table under Part 25 - Satellite Communications and associated with File No. SES-T/C-20040903-01328 to read as "KA258".

2. This Erratum also adds earth station licenses (call signs E040434 and E040414) and experimental license (WC9XAE) granted to Intelsat during the Interim Period as described in Para. 42.¹

FEDERAL COMMUNICATIONS COMMISSION

Wireless Telecommunications Bureau

Edmond J. Thomas, Chief
Office of Engineering and Technology

¹ Under Section 1.65 of the Commission rules, applicants are responsible for the continuing accuracy and completeness of information furnished in a pending application. 47 C.F.R. § 1.65. To the extent required, we will treat the applicants' request for an erratum as providing updated information pursuant to Section 1.65 of the Commission rules as to the proposed transaction authorized in this Order and Authorization. Thus, Appendix A is updated to include authority for the transfer of control of those licenses issued to Intelsat and approved for transfer to Zeus Holdings, during the Interim Period. See Letter from Tom W. Davidson, Counsel for Zeus Holdings Limited and Carl R. Frank, Counsel for Intelsat, Ltd, to Secretary, FCC, dated January 25, 2005.
